

English can change your life!!!

English Proficiency Course (EPC)

The objective of the English Proficiency Course (EPC) is to develop fluency in expression, stressing on all the four communication skills. The course curriculum comprising grammar and practice activities, supplemented by audio-visual exercises, is truly unique. Students not only practice the language in a simulated environment, but also experience the language through real life activities and examples

Level A1 - Breakthrough - 160 hours

Level A2 - Waystage - 160 hours

Level B1 - Threshold - 160 hours

Level B2 - Vantage - 160 hours

The levels of the EPC are designed to develop not only structural and lexical awareness, but also the functional aspect of the English language. Students can join any stage, based on their current level of English, which in turn will be determined through an entry level test.

Class session days: Monday to Friday (4 Hrs/day)

Common European Framework of Reference (CEFR)

The course is designed in line with the CEFR level of language learning, which is widely accepted all over the world. The overall aim of the CEFR is to provide objective criteria for describing and assessing language proficiency in an internationally comparable manner. This is true for learning all languages, including English. It helps learners assess their language ability and keep an internationally recognized record of their language learning experience.

Material Supported By:

CAMBRIDGE INTERCHANGE Course Highlights

At Valuepoint Academy, Pune, we use Cambridge's Interchange, fourth edition series. Cambridge's balanced methodology combines the best of traditional approaches – grammar, practice, vocabulary development etc - and newer approaches, such as communicative role-play and personalization.

The courses have:

- Clear focus on grammar
- Balanced, integrated-skills syllabus
- Real-world speaking skills – Snapshot, Discussion, Interchange Activity
- Digital resources for interactive classes – Classroom presentation software
- Full student support – Self-study DVD-ROM, Class audio CDs, Interchange arcade, online workbook and more.

This classroom presentation software not only makes learning interactive but also very interesting and informative. Learning English thus becomes very easy and involves maximum student participation in the class.

The Interchange fourth edition books are aligned to the CEFR levels of learning, which helps the learners assess their language proficiency at an international level.

Assessments

Every level will have practical and theory tests twice. Each participant will be assessed on various parameters on a regular basis.

Quality Assurance

The Academy is well equipped with spacious classrooms, qualified & experienced faculty; teaching aids including computers, projectors, recording systems, TV and video camera. More importantly, it has a friendly atmosphere conducive to learning. It is heartening to see students mingle with one and all in the Academy with ease and joy.

It will be our earnest endeavor to make all efforts to train the students to take on the demands made on them in society, school or at work. In return, the Academy would only expect 100% participation and commitment to the cause of learning.

At the end of the course, students will be rewarded with a certificate, mentioning the CEFR level of learning and a progress report for every level.

Become truly international With Valuepoint Academy's
