Module II (Pre-Intermediate)

• 150 hrs

Module III (Intermediate)

• 150 hrs

Module IV (Upper- Intermediate)

• 150 hrs

Class session days: Monday to Friday (5 Hours/day)

Total Duration: 600 Hours (6 Months)

The four modules of the Diploma course are designed not only to develop structural and lexical awareness, but also the functional aspect of the English language.

Materials supported by:

OXFORD – Quality Programme

Our participation in the **Oxford Quality Programme** demonstrates our commitment to use the best quality English language teaching materials.

The Oxford Quality Programme is an agreement between Oxford University Press and selected schools worldwide who share a commitment to excellence in the teaching of English.

Valuepoint Academy has signed a Memorandum of Understanding with Oxford University Press who now supply educational solutions for the teaching of English, as a part of Valuepoint Academy's participation in the Oxford Quality Programme.

Valuepoint Academy will work in collaboration with Oxford University Press to ensure the highest quality of curriculum, assessment materials, and teacher training.

OXFORD – Material

At Valuepoint we use Oxford Material for our Modules. Oxford's balanced methodology combines the best of traditional approaches - Grammar Practice, Vocabulary Development etc. - and newer approaches, such as communicative role-play and personalization.

Our courses are specially designed with:

- *Clear focus on grammar*
- *Balanced, integrated-skills syllabus*
- *Real-world speaking skills - Everyday English, Spoken English, Music of English*
- *Digital resources for interactive classes - Classroom Software with technologically enhanced functions*
- *Full student support – audio- video resources, activity sheets, movie reviews, recap & practice tests and more*

Our classroom computers have been installed with the **Latest Technology** which has the following features:

- *Brand-new documentary-style video with class worksheets.*
- *Power Point Grammar presentations.*
- *Built-in tools - personalized interactive lessons*

This software not only makes learning interactive but also very interesting and informative. Learning English is very easy and involves maximum student participation in the class.

Assessments

Every module will have practical and theory tests during the term and at the end of the term. Each participant will be assessed on various parameters on regular basis.

Quality Assurance

The Academy is well equipped with spacious classrooms, qualified & experienced faculty, teaching aids including recording systems, TV, computer, VCDs, and video camera. More importantly, it has a chatty & friendly atmosphere conducive to learning not only within the confines of the classroom but outside it as well. It is heartening to see students mingle with one and all in the Academy with ease and joy.

It will be our earnest endeavor to make all efforts to train the students to take on the demands made on them in society, school or at work. In return, the Academy would only expect 100% participation and commitment to the cause of learning.

**At the end of the course students will be rewarded with a
Diploma certificate and a progress report for every level**
